

## **Kevin Murphy**

September 9, 1953 - July 21, 2011

We at PARS are very sorry to share the passing of our Chief Operating Officer **Kevin Murphy** after a year-long battle with cancer. His loving wife Tina and daughters Amy and Jenna were at his side.

Kevin came to PARS in 1998 with 22 years of front-line municipal management experience, including service as City Manager for the Cities of Newport Beach and Alhambra. He started at PARS in its formative years and he paved the way for its growth to more than 500 clients and 1,200 retirement plans.

Kevin, a UCLA Alumnus, was a life-long supporter of Bruin Athletics (not missing a home football game in over 30 years). An avid golfer, his favorite course was Pebble Beach. He was his daughters' biggest fan in their high school and college swimming and water polo careers.

We at PARS deeply appreciated his intelligence, his energy, his leadership skills, his integrity, his unswerving moral compass, and his friendship. We will miss him dearly.
